

Public Dataset Nomination form

This form is to be used to request that a specific dataset be considered for inclusion in the list of datasets for which IRB approval is not required.

A list of UWG IRB approved public data sets that are not considered human subject research is available at:

Name:

Email:

Phone:

Department:

Name of data set (specific):

URL (provide the url for the data set, or other means to access):

Host (please provide a brief description of the host institution or archive):

Description (how the data were collected, from/about whom, who collected the data, and when it was collected):

Link to public access documentation (documentation of the public availability of this data set, example documentation that it has been scrubbed of identifiers and approved for public use):

Rules governing access (description of how the data set may be obtained by researchers, any stipulations, conditions, agreements, restrictions, etc.):

Return completed form to the UWG IRB Administrator/Compliance Officer
