

Dr. Fengrong Wei

Department of Mathematics, University of West Georgia, GA 30118

fwei@westga.edu

Employment and Education

- Associate Professor, Department of Mathematics, The University of West Georgia, Aug 2014-present
- Assistant Professor, Department of Mathematics, The University of West Georgia, Aug 2009-Aug 2014
- PhD in Applied Mathematics and Computational Science, The University of Iowa, 2009

Research Interest

Statistics, Finance

Selected Publications

- Wei, F. R and Huang, J. (2010). Consistent group selection in high dimensional linear regression. *Bernoulli*, Volume 16, No. 4, 1369-1384.
- Huang, J., Wei, F. R. and Ma. S.G. (2012). Semiparametric regression pursuit. *Statistica Sinica*, October 1; 22(4): 1403-1426.

Reviewer for Journals

- *Annals of Statistics*
- *Journal of American Statistics Association*
- *Journal of Computational and Graphic Statistics*
- *Statistica Sinica*
- *Biometrika*
- *BMC Bioinformatics*
- *Journal of Nonparametric Statistics*
